How to Use the 1985|86 Directory

During the 1985-86 school year, the university will cutover to a new telecommunications system. The cutover will affect a number of individual faculty and staff office telephone numbers, as well as all the resident telephone numbers in the University Student Apartment Complex and the Towers Residence Association.

To reflect the telephone number changes brought about by the cutover, the 1985-86 directory will print two telephone numbers for individuals affected by the cutover. The first number will be used prior to the cutover date; the second number will be in use after the cutover. These numbers will be separated by a slash. Phone numbers not affected by the cutover will have only one number listed. Sample entries follow:

	before cutover	after cutover
FACULTY Mary Sue, Professor Econ 000 Heady Hall Route 5 Huxley		4-0000/4-0001 555-4040
STUDENT John J PSYCH Friley 9999 Floor	294-0000/296-0000	Hometown IA

The actual cutover dates will be announced later. Further information on the use of the new telecommunications system can be found on page 4 for the faculty and staff, and page 5 for the residence halls.
